

SARYNNE LAÍS COELHO FERREIRA

sarynnec@gmail.com • +351 932 326 515 • Aveiro, Portugal • portfoliosarynne.vercel.app • github.com/sarynnec-spec

Date of Birth: 02/03/1991
Marital Status: Single

Nationality: Brazilian
Languages: Portuguese (native), English (basic)

PROFESSIONAL PROFILE

Multimedia Technician (IEFP, Portugal — EQF level 4), with training that combines design and programming, and solid experience in customer service, commercial management and team coordination. I build web applications end to end — interface, business logic, databases and APIs — and also work in graphic design, motion design, UX/UI and social media campaigns. Results-oriented, organised and committed, I combine business sense with technical and creative skills.

PROFESSIONAL EXPERIENCE

2025 – present	Web Development & Multimedia Projects (training / freelance) Full Stack Development · Design & Social Media VerdeFácil — SaaS invoicing and tax-compliance platform built from scratch: PostgreSQL data model, documented REST API, assistant powered by language models, scheduled automations and 199 automated tests. Also client websites, visual identity, motion design and paid traffic campaigns.
04/2022 – 09/2025	Cornúcopia Paradise Lda (QLook Ótica) Optical Consultant Customer service and specialised advice.
03/2022 – 12/2023	Frunbrab Production Operator
11/2019 – 08/2021	Gas Consultoria e Tecnologia Ltda Financial Consultant
11/2016 – 10/2019	Jomon Comércios e Artigos Óticos Ltda Optical Consultant / Store Manager Store management, customer service and team coordination.
